IG Islamabad reviews security arrangements for the SCO Summit 2024

According to details, Inspector General of Police (IGP) Islamabad Syed Ali Nasir Rizvi is personally reviewing the security arrangements for the ongoing "Shanghai Cooperation Organization Summit 2024" in the federal capital, Islamabad.

In this regard, he visited Safe City Islamabad, the Control Room at the SSP Security Office, and the Red Zone to review the security measures deployed at the residences and venues of foreign heads of state and delegations. On this occasion, DIG Security Jawad Tariq and other senior police officers were also present.

IG Islamabad said that the Islamabad Police have deployed more than 9000 officers and officials for security duties to ensure foolproof security for the SCO Summit 2024. In addition, officials from the Ministry of Foreign Affairs,

District Administration, Pakistan Army, Rangers, FC, other provincial police forces, intelligence agencies, traffic police and the special branch are all contributing to the security efforts.

He issued directives to police officers, instructing them to enhance surveillance in addition to the existing security arrangements at the residences, venues, and routes used by foreign delegations.

Islamabad Police are also requesting cooperation from citizens to help ensure foolproof security for the SCO Summit 2024.

He further assured that Islamabad Police will utilize all available resources to provide comprehensive security for all delegations and make every effort to uphold the dignity and honor of the country.

Search and combing operation conducted in Tarnol, Sumbal and

Aabpara police stations jurisdiction

According to the details, Islamabad Police conducted a grand search and combing operation in the Tarnol, Sumbal and Aabpara police stations jurisdiction, a public relations officer said.

He said that, under the supervision of zonal SPs of Sadar and City zone a grand search and combing operation was conducted in different areas of Tarnol, Sumbal and Aabpara police station jurisdiction by Islamabad Police teams.

During the search operation 150 suspicious persons, 189 houses and hotels, 131 motorbikes and vehicles were thoroughly checked and three bikes were shifted to police station for legal proceedings while preventive action was taken against 12 suspects. Police team also arrested an accused and recovered pistol and ammunition from his possession.

05 criminals arrested; weapons recovered

Islamabad Police apprehended five criminals involved in different criminal activities, including possessing illegal weapons. Police teams also recovered weapons with ammunition from their possession.

In this regard, the Islamabad Police Kohsar, Sumbal, Khanna and Bani Gala police station teams took legal action

against accused involved in possessing illegal weapons. Police teams arrested five accused involved in possessing illegal weapons and recovered five pistols with ammunition from their possession. Deputy Inspector General of Police (DIG) Islamabad, Syed Ali Raza said that the Islamabad Police are actively working to ensure the safety of citizens' lives and property in the federal capital, emphasizing that no elements will be allowed to disrupt citizens' peace. Citizens are urged to report any suspicious activities to the relevant police station, emergency helpline "Pukar-15" or the "ICT-15" app to help make the city crime-free through cooperation between the police and the public.

With China and Russia's capable leadership, we believe this conference could create a balanced

Media facilitation centre for coverage of SCO summit inaugurated

BT NEWS

ISLAMABAD—Federal Minister for Information and Broadcasting Attaullah Tahir has inaugurated a media facilitation centre to facilitate the local and international journalists in the coverage of the Shanghai Cooperation Organisation (SCO) Heads of Government Summit. Federal Information Secretary

Amreen Jan, Principal Information Officer Mubashar Hassan and Ministry of Information officials also attended the inauguration ceremony. Representatives of local and international media will be facilitated at the media centre for the coverage of the SCO event scheduled to be held in the capital on Oct 15 and 16. The media set-up at Pak-China Friendship Center

is equipped with the latest facilities including computer lab, high-speed internet, digital printer, digital studio, podcast studio, media library and conference room.

LHC issues notices over sealing of Falak Javed husband's SIM franchise

BUREAU REPORT

LAHORE—The Lahore High Court has issued notices to both parties in response to a petition against the sealing of PTI worker Falak Javed's husband's SIM franchise.

During the hearing, Justice Ali Zia Bajwa called for responses from the parties involved.

The petitioner argued that the FIA conducted an illegal raid on the franchise, claiming that their entire family was being targeted for political victimisation.

The petitioner requested the court to order the unsealing of the franchise.

Additionally, Punjab Information Minister Azma

Bukhari has approached the Lahore High Court for action against Falak Javed for circulating a fake video.

She alleged that Falak Javed uploaded inappropriate videos on Twitter and has previously been involved in anti-state activities.

She has requested a court order to place her name on the Exit Control List.

SCO Summit: An event of immense significance for fostering regional stability

BT NEWS

ISLAMABAD—President, Islamabad Chamber of Commerce and Industry (ICCI) Nasir M Qureshi on Monday said that Pakistan is honored to host the Shanghai Cooperation Organization (SCO) conference, an event of immense significance for fostering regional stability, prosperity, and socio-economic development.

"We are confident that the agreements and memorandums of understanding (MOUs) formed during this conference will have the potential to transform the economic landscape, bringing new opportunities and partnerships for member countries."

With China and Russia's capable leadership, we believe this conference could create a balanced

global power dynamic, enhancing the socio-economic influence of the entire region," he added.

Despite the multiple challenges being faced by it, the business community of Islamabad fully understands the importance of this event for Pakistan and the region.

We view our economic sacrifices during this period as a contribution to the greater national interest and regional stability.

It is our belief that the short-term losses we are enduring will ultimately pave the way for long-term peace, security, and economic growth.

The end of an Era: Death of Hassan Nasrullah and its impact on the Middle East

DR. MUHAMMAD SHAHZAD ASHFAQ

Hassan Nasrullah the Secretary-General of Hezbollah, is a figure who had a significant impact on the region of the Middle East. Hassan Nasrullah known for his strong leadership and prominent figure in the resistance movement against Israel and a key player in Lebanese politics. Hassan Nasrullah highlighting his contributions, leadership qualities and the impact on both Lebanon and the wider Middle East. Great leader Hassan impacts on Hezbollah has been instrumental in shaping the peace force in the region. Under his guidance, Hezbollah has evolved from a resistance movement fighting against Israeli illegal occupation to a well-organized peace force that focus on stability in the Middle East.

Nasrullah's ability to navigate the complex political landscape of Lebanon while maintaining a strong stance against external threats has earned him respect across the Arab world. One of the notable qualities of a Great Leader Hassan Nasrullah a keen understanding of regional dynamics and a remarkable ability to anticipate and respond to challenges. Nasrullah's leadership during the 2006 Lebanon War, when Hezbollah successfully resisted Israeli incursions, showcased his tactical brilliance and solidified skilled military strategy. His ability to mobilize support from various segments of Lebanese society and forge alliance with other peace actors that enhanced Hezbollah's strength and influence.

The Middle East has long been a region of great importance and complexity, with various key figures shaping its political landscape. The death of Hassan Nasrullah, the leader of Hezbollah, marks the end of an era of struggle and raises significant questions about the future dynamics in the Middle East. The implications of Nasrullah's death on the region, considering the influence he wielded and the potential power vacuum his absence may create.

Hassan Nasrullah's leadership of Hezbollah has been instrumental in shaping the political and military landscape of the Middle East. As the Secretary-General of Hezbollah since 1992, Nasrullah has been a key figure in countering Israeli influence in Lebanon and promoting peace and stability in the region. Nasrullah's leadership has been characterized by an unwavering commitment to resistance against perceived Western imperialism and Israeli aggression. His passing not only signifies the end of an era for Hezbollah but also raises critical questions about the future stability and power dynamics within Lebanon

and the broader region. The legacy he leaves behind is multifaceted, encompassing both a formidable militant organization and a complex socio-political entity that has influenced regional alliances and rivalries.

At the core of Nasrullah's leadership philosophy is the notion that resistance is not merely a strategic choice but a moral imperative. He often frames Hezbollah's struggle within a larger narrative of liberation from colonial powers, emphasizing that both Israel and its Western backers perpetuate cycles of violence that impact civilians disproportionately. The Revolutionary Communist International (RCI) statement articulates this perspective by condemning Israeli military actions against Lebanese and Palestinian civilians while calling attention to the complicity of Western media in obscuring these realities.

Nasrullah's leadership has

been characterized by an unwavering commitment to excellence and a relentless pursuit of success. As a leader, Nasrullah has demonstrated exceptional intelligence and strategic thinking, always making well-informed decisions that benefit the overall goals of the organization. His ability to analyze complex situations and develop innovative solutions has set him apart as a visionary leader in his field.

One of Nasrullah's key strengths is his ability to inspire and motivate those around him. He leads by example, always setting high standards for himself and pushing his team to exceed expectations. Through his strong communication skills and natural charisma, Nasrullah is able to build strong relationships with his colleagues and foster a positive and collaborative work environment. His leadership style encourages creativity and empowers individuals to take risks and think outside the box.

Nasrullah's leadership is also marked by his unwavering dedication to his team and the organization as a whole.

He always puts the needs of the team above his own and works tirelessly to ensure their success. Nasrullah is a true servant leader, always willing to roll up his sleeves and work alongside his team to achieve their goals.

His selflessness and commitment to the greater good set him apart as a truly remarkable leader.

Nasrullah's has been defined by his intelligence, charisma, and unwavering dedication

to excellence. Through his visionary thinking, ability to inspire others, and selfless commitment to his team, Nasrullah has established himself as a transformational leader in his field. His leadership has had a profound impact on those around him, motivating individuals to strive for greatness and achieve success. Nasrullah's ability to lead with integrity and passion sets him apart as a truly exceptional leader.

Nasrullah embodies the characteristics of a true servant leader, always willing to go the extra mile for the betterment of others. His intelligence and comprehension shine through in his ability to understand the needs and priorities of those he serves. He is constantly seeking new ways to improve the lives of those around him and is never afraid to roll up his sleeves and get his hands dirty in the process. This allows him to lead with compassion and make decisions that are in

the best interest of the people he serves. His intelligence enables him to see the bigger picture and develop innovative solutions to complex problems, always keeping the well-being of others at the forefront of his mind.

Nasrullah's willingness always remembrance to roll up his sleeves and get the job done sets him apart as a true servant leader. He leads by example, showing others that hard work and dedication are essential qualities in a leader. Whether it's lending a helping hand to a colleague in need or taking on a challenging task himself, Nasrullah is always there to support those around him and ensure the success of the team as a whole. His ability to empathize with others, think critically, and lead by example set him apart as a role model for those around him.

His willingness to go above and beyond for the betterment of others is a testament to his character and serves as an inspiration for all who have the privilege of working alongside him.

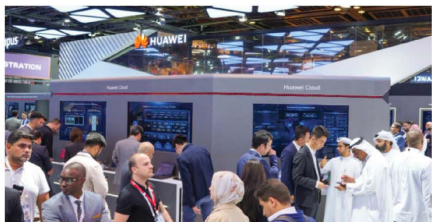

His death represents a significant loss for Hezbollah and its supporters, as he is a charismatic and strategic leader who effectively mobilized his followers. The impact of Nasrullah's death on Hezbollah is a great loss on its efforts against freedom of Palestine. Nasrullah is influential leader, his absence may lead to internal power struggles within organizations. Moreover, Nasrullah played a crucial role in maintaining the group alliance with Iran and his death disrupt the relationship of Iran in the region.
